We are finally getting back into the routine. Thank you for helping your student with homework. Remember, anything that comes home from Science or History is work that was not finished in class and must be returned the next day or receive a late grade. After one late day, the grade is a zero. This applies to Math and Language/Reading homework, too. Be sure to check your student’s progress on Engradepro.com.

Don’t forget to check out the great books in the Scholastic Book Order. This month, get a FREE book with any \$25 or more order! Orders are due Sept. 26.

Come out to support our girls’ volleyball team on Tuesday or Thursday at 4pm. Go Falcons!!
