

8TH GRADE NEWS CORNER

Sept. 17th — Sept. 20th

Dear Parents,

We had a fantastic week and are working hard in all of our classes. Please be sure to check Engrade.pro.com so that you can keep up with your child's progress in their classes. In Math, we are busy solving integer problems and following the order of operation to get the correct answer. Several students have said what we are doing is FUN...this brought a smile to my face. I love this group of students!

Please feel free to contact me if you have any questions or concerns. I look forward to partnering with you to help your child reach his/her full potential. My conferences are from 10:45 – 11:45 and 1:15 – 2:15.

Mrs. Busch
