Hello everyone! I hope we are all doing well! This has been a tremendous first couple of weeks. We are in the swing of things by now. We will have our first science test coming up this week, so look for the study pages that will be coming home Tuesday or Wednesday. We will have a practice test on Thursday; if all do well we will not take it again on Friday. We started a new unit in Math last week, and will start a new unit in English this week. We will keep moving like this until Christmas, if possible. Once again, if you have any questions please send me a remind or email.

Mrs. Escobedo
