

# The Weekly Word

FBA-First Grade  
October 22-26

Dear Parents,

We are halfway through the first month of the Reading program put in place to encourage additional reading besides assigned Readers. First graders were to read and review 10 books in order to qualify for the reward. Quite a few of my students have been reading and turning in the reviews as they complete them. I am very excited to see so many of my students going above their required reading! As soon as I know the date of the reward, I will let you know.

If you have any questions or concerns feel free to email me or call the school. My conference time is 1:45-2:45.
