

The Weekly Scoop

FBA- Kindergarten

January 21- 25

Count your
many blessings.

Dear Parents,

Your child has addition flashcards in their binder. Please go over these daily. I will check them at school and when they have three checks, they can keep at home. I will then send the next set. It is very important that students know their math facts with speed and accuracy to build strong math foundations.

Please continue reading each evening with your child and working on blends with short sounds. I have sent home high frequency / site words. These are words they will come across often in reading. Please practice these with your child also.

If you have any questions or concerns please feel free to email me or call the school. My conference time is 9:45-10:15; 11:30-12:00

Mrs. Garcia
