

# The Weekly Scoop

FBA- Kindergarten

February 11- 15

Count your  
many blessings.

Dear Parents,

We are getting so close to the 100th day of school. I can not wait to see the students' 100th day shirts! Our Valentine's Party is also coming up. You are welcome to send valentine's with your child to be exchanged during the Valentine Party. We have nine friends in our class. 6 girls and 3 boys. You can have your student write to my friend and have them write there name as this is good time for them to practice writing their names.

My conference time is 9:15- 10:15. Feel free to contact me if you have any questions or concerns about your child.

Mrs. Garcia
