

March 25-29, 2019

# Science 4th-8th

Contact info: [mattheu@fbcbaytown.org](mailto:mattheu@fbcbaytown.org)

Conference: 10:45-11:45am and 2:15-3:15pm

## A note from Mrs. Mattheu

Thank you for a great Science Fair!! Everyone worked hard and it showed. Congratulations to all of our winners!

**\*\*Stanford testing is this week.\*\***

We will test in the mornings and have shortened classes in the afternoon. Please be sure students are well-rested and get a good breakfast each day.

**Mar 25-29—Stanford Testing**

**Apr 10—5th-8th Field Trip to Trinity Bay Discovery Center**

**Apr 12—Feed the Need Fund-raiser Packing Day**

**Apr 19 & 22—No School for Easter Holiday**

**4th- Earth's Resources** We will learn about renewable and nonrenewable resources. We will also study water and conservation.

**5th- Electricity and Circuits** We will be reviewing current electricity and building paper circuits with copper tape and LED light diodes!

**6th- Stars** We will be studying kinds of stars and constellations. We will finish the week by making our own constellations.

**7th- Cold-blooded Vertebrates** We will be learning all about cold-blooded vertebrate animals. Friday we will watch a frog dissection! We will not test on this chapter.

**8th- Earth's Atmosphere** We will be learning about the structure and special zones of the atmosphere. We will also discuss radiation, conduction, and convection.
