Hi Parents and students!! Our field trip/Easter party at Hermann Park is this Thursday, April 18, 2019. Please bring 11 filled Easter eggs for your student to hunt at the park. All parents are welcome to attend this with our class!

The first ever STUDENT-CON is coming to a third grade class near you! Your student has officially picked a topic! They have some very great ideas for their project. There are a few students that want to make movies. I am happy that they are excited about this and are willing to take a risk. However, I also hope that they have your support for that kind of effort. Please check with your student and see what they are wanting to do for a visual for their project. I cannot stress enough that communication is the key to making this project a success. Please be looking for an informational sheet that will give you the topic your student has picked and their ideas for completing their project. I would like for them to start bringing in their project items to work on in class by Friday of next week.

We will continue to move along quickly to the end. Forgetting what is behind and straining for what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. Phillipians 3:13b
