

The Weekly Scoop

FBA- Kindergarten

April 22- April 26

Count your
many blessings.

Dear Parents,

I am so proud of this class! I love hearing the class read and to see the excitement on each child's face when they figure out new words. Please continue reading each night with your child.

Please also continue working on math facts with your child. Having a strong basis of addition is extremely important and making the transition into subtraction is much easier for your child.

Mrs. Garcia
