

The Weekly Scoop

May 20–24

Dear Parents,

Thank you so much for sharing your children with me over the last school year. I am so proud of each and every one of them. It has been an awesome privilege to be a part of their lives as they learn and grow. I appreciate your hard work and dedication to your child's education. They would not have accomplished all that they have without great parental support. As I pass your precious children off to first grade, please know that they each have a special place in my heart.
