Conference: 10:45-11:45am and 2:15-3:15pm

## A note from Mrs. Mattheu

I can't believe we are at the end!! I have truly enjoyed working with your student this year. We have covered a lot of science and health information, but the best part has been getting to know more about how God created us and the beautiful world we live in. I look forward to doing it again next year!
