## \* Vent Hood Recommendation

The range hoods have been designed for the Broan® Nutone® model #PM250 with liner LB36

For more information on the product and/or how to purchase please contact Broan at [www.broan.com](http://www.broan.com)

## Install Note

Recommend installing unit before hanging wood hood cabinet onto wall. Both liner and cabinet must be square for installation. Liner may need to be altered to fit cabinet.
