Office Systems/Guidelines

Our office prides itself on a fully systemized level of service to ensure you can confidently communicate expectations to your clients and customers. Our office operates on a basic timeline of “in by 9 AM, done that day.” We utilize a state of the art paperless system, appFiles. appFiles enables you to manage your real estate files within one program and access them easily from anywhere.

After Hours Office Access

All offices are equipped with a key pad for after-hours access. All offices have the same code for entry. CBRE locks the main door for the Johns Creek office on nights and weekends. To access this office, you must have a SUPRA key. You can open the SUPRA box located on the pillar to the left of the door to retrieve the e-key. Swipe the e-key in front of the black keypad to unlock the front door. Please ensure you return the e-key to the lockbox. To activate the key pad, press your hand on the screen and the digital keys will light up.

WIFI Password

All offices have wifi access. Look for the RMC network. Password is rmccenter.

Listings

Option 1: Submit Dual Entry and Photos to Office

Dual Entry Forms can be found in appFiles in the First Multiple Listing Services Section. Once Dual Entry and Photos are uploaded to appFiles, change appFile Type/Name to Listings in the Broker Inbox.

Tip: Type Dual in the Filter... section to easily find these forms.

Once the Listing is submitted, you will receive notification from RMCR staff with FMLS and GAMLS Listing numbers. RMCR staff will upload FMLS and GAMLS Listing forms to appFiles. The appFile will then be moved by RMCR Staff into the Active Listings Folder.

Option 2: Enter Listing in FMLS or GAMLS via Bridge Dual Listing Input.

Please add the FMLS or GAMLS number to the appFile and in Notes section type, “Listing Entered Through Bridge.” Change appFile Type/Name to Listings in the Broker Inbox.

RMCR Staff will then process Listing and move to Active Listing Folder.

Utilizing Bridge Interactive Listing Entry

Bridge Listing Input user guide & help center: support.listinginput.com

To set up your account for the first time:

- Log into FMLS, hover over "System Links" in the left menu, select "Bridge Listing Input"
- After accepting the Terms of Use, you should be redirected to your Bridge Listing Input dashboard.
- Click on "Connections" in the top menu.
- Click on the GAMLS tile and log into your GAMLS account.
- The page should refresh to show that both MLS accounts are connected.

To log in after connecting both accounts:

- Log into FMLS, hover over "System Links" in the left menu, select "Bridge Listing Input"
- OR, log into GAMLS.com, select "Bridge Listing Input" under Subscription Services
- Either link should redirect you to the Bridge Listing Input dashboard!

Importing listings that already exist in BOTH MLSs:

- Use the Import Listing link on the dashboard
- Enter the FMLS#
- Create the listing with ONLY FMLS checked*
- Add GAMLS on the next page under "Publish To" and enter the GAMLS listing # there
- Now the system will know to update existing MLS #s in BOTH systems when you publish listing changes. It won't know what listings to update if you don't give it the MLS # first.

*If you forget step #3 and create it to go to both MLSs, just remove GAMLS, then add it back with the listing #. You should be able to hover over the MLS# in the header to see both MLS#s to confirm you're updating both existing listings.

Importing listing that exists in ONE MLS to clone to SECOND MLS:

- Use the Import Listing link on the dashboard
- Enter the FMLS#
- Create the listing with BOTH FMLS and GAMLS checked
- Now the system will know to *update* the existing FMLS listing and *create* a new GAMLS listing with a new number.

Listing Changes

For all Requested Listing Changes, add Note in appFiles for changes that need to be made and then change File/Type Name to Listing Changes in the Broker Inbox.

Purchase & Sale Agreements

All Binding Purchase & Sale Agreements should be submitted to the office along with the Sales Agreement Input Form as soon as possible. The Input Form can be found in the In-House Section of appFiles.

Option 1: Submit Purchase & Sale Documents through appFiles by changing the File Type/Name to Sales Agreements.

Option 2: Emailing the Purchase & Sale Documents to the General Inbox at forms@remaxcenter.appfiles.com.

Once the Purchase & Sale Agreement is processed, RMCR staff will update FMLS and GAMLs, send you a Transaction Report to review and move the appFile to the Pending Review Folder of the Broker Inbox.

Per GREC Law, each Purchase & Sale Agreement must be reviewed by the Broker. You will receive notification once the Agreement has been reviewed along with notes on any Best Practices or Broker Policies. Please note, Best Practices are suggestions on what should be done on future agreements. Broker Policy violations are REQUIRED to be remedied as soon as possible. RMCR Broker will then move file into the Pending File of appFiles.

Sale Agreement Changes

For all Changes including Purchase Price or Closing Date, upload Amendments/Exhibits to appFile and change File/Type Name to Sales Agreement Changes in the Broker Inbox. Changes will be reviewed, and a new Transaction Report will be sent (if applicable). Once processed, appFile will be moved to Pending Status.

Earnest Money

Mishandling of Earnest Money is the most common cause of the suspense of Real Estate Licenses in Georgia. It is imperative that Earnest Money is handled appropriately. This includes turning Earnest Money into the office as soon as possible. Earnest Money should be turned in, along with the completed Earnest Money form, to the Earnest Money box in each office location. Earnest Money cannot be held for more than 5 Business Days without a Binding Purchase & Sale Agreement turned into the office. Unless indicated in the Purchase & Sale Agreement, Earnest Money checks should be in the name of the Purchaser of the property.

Sales Agreements processed without Earnest Money will be moved into the Earnest Money > Incomplete folder in appFiles until Earnest Money is received. RMCR staff will add task to appFiles to remind you to turn in Earnest Money as soon as possible.

Please note: Earnest Money in the form of a personal check is required to be held for 10 Business Days prior to being released.

Please note: Returned Earnest Money will incur a \$25 fee. Wired Earnest Money will incur a \$15 fee. These charges will be added to the monthly billing invoice.

Transfer of Earnest Money

When a Purchase and Sale Agreement terminates but your client immediately has a new Purchase and Sale Agreement for a new property, RE/MAX Center allows for Earnest Money to be transferred. RE/MAX Center will issue an Earnest Money refund check to the Buyer and then re-deposit this check to be applied to the new Purchase and Sale Agreement. In order for RE/MAX Center to allow the transfer of Earnest Money, GAR Form F83 (Uniform Notice to Terminate Purchase and Sale Agreement and Proposed Disbursement of Earnest Money) must be signed by all parties and Buyer must complete the Earnest Money Transfer Request Form within 3 Business days of Termination of the original Purchase and Sale Agreement.

Commission Advance

RE/MAX Center will advance up to 70% of commission due to agent. Commission advancements must be approved by management and will incur a 10% advancement fee for the first 45 days. An additional 5% fee will be incurred on day 46, 76, 106, etc.

Terminations

All Terminations of Purchase and Sale Agreements need to be turned into RMCR as soon as possible.

Option 1: Upload Unilateral Notice to Terminate Agreement to appFiles and change File/Name Type to Terminations in the Broker Inbox.

Option 2: Email Unilateral Notice to Terminate Agreement to General Inbox at forms@remaxcenter.appfiles.com.

The Unilateral Notice to Terminate Agreement has to be signed by all parties in order to be processed per the Agreement.

If any party of the Transaction refuse to sign the Unilateral Notice to Terminate Agreement and RMCR is holding the Earnest Money, notify the Broker Support Team.

Option 1: Create update in appFiles and tag Broker Support Team

Option 2: Email Broker@CenterMember.com

Broker will review all documentation and issue 10 Day Notification of Intent to Release Letter. If no response is received from any party, Broker will release Earnest Money per the 10 Day Notification of Intent Letter. If response is received, Broker Support will review and notify Agents on how they intend to proceed.

Please Note: Earnest Money in the form of a Personal Check will be held for 10 Business Days before being released. Please provide method of delivery if RMCR is holding Earnest Money (Mail, Pick Up at Office, etc).

Unaccepted Offers

All unaccepted offers must be uploaded to the appFile and placed in the Unaccepted Offers Section of appFiles. Agent is required to notify all parties of unaccepted offers.

Option 2: Email unaccepted offer to General Mailbox at forms@remaxcenter.appfiles.com.

Pay at Close Request

Option 1: Complete Paid at Closing Form and Change File Type/Name to Pay At Close Request in the Broker Inbox.

Option 2: Email Pay At Close Request to closings folder at:
closings@remaxcenter.appfiles.com

Option 3: Drop Pay At Close Request Form off in New Business Box

Options 2: Email Closing Documents to New Closings Folder at
closings@remaxcenter.appfiles.com

Option 3: Drop Closing Documents in New Business Box.

Referrals

A referral payment form must be included when requesting a referral payment to be made. A W-9 must be uploaded to the appFile along with this form for processing.

Incoming referral payments must be submitted with the incoming referral form for processing. The payments can be submitted in the New Business Box at each location.

Leases

All newly executed Leases must be submitted to RMCR as soon as possible for processing along with the Lease Contract Input Form. This Form can be found in the In-House Forms Section of appFiles. Leases must have a corresponding Broker Engagement Agreement, either a Management Agreement, Lease Listing Agreement, Tenant Brokerage or Customer Acknowledgement.

Option 1: Leases can be submitted by changing the File Type/Name to Leases.

Options 2: Leases can be emailed to the General Inbox at forms@remaxcenter.appfiles.com.

When a Management Agreement is in place, Security Deposits must be held by RMCR unless written approval is given by Broker. RMCR Agents with any ownership interest in a Leased Property are required to hold Security Deposits in RMCR's Holding Trust Account. RMCR will not release Security Deposit without a signed Move-Out Exhibit.

Please note: A new appFile will be required for each newly Leased property. Lease Renewals can be uploaded to appFiles that have already been processed by RMCR.

Leasing Services

Unless previously approved by Broker, RE/MAX Center Agents managing properties are required to utilize RE/MAX Center's Leasing Services. There is a \$15 monthly fee per unit. Leasing Services includes access to an online property management software, Propertyware. Propertyware provides an online Owner and Tenant Portal giving them access to submit payments, submit maintenance request, and view leasing documents. RMCR Leasing Services processes Tenant Payments, Vendor Payments and Owner Payments. RMCR Agents will receive monthly payments of management fees by the 15th of each month.

RMCR Leasing Services also provides application processing. The application fee is \$50 per applicant. Applications can be filled out online at www.atlantaleasingcenter.com. Applicants are asked to provide a copy of their photo identification and income documentation. Application processing includes the review of their credit report, residential history, employment/income, eviction check and a criminal background check. Once all documentation is in, RMCR Leasing Services will send you a summary of information along with a recommendation on how to proceed. RMCR Leasing Services is not permitted to provide you with a copy of the credit report.
