KeyBank employees volunteer at Families First Community Center during Neighbors Make a Difference Day

Ellsworth – May 23, 2018 – Families First Community Center welcomed help from KeyBank employee volunteers during KeyBank’s 28th annual Neighbors Make the Difference Day on Wednesday May 23, 2018. Donned in KeyBank shirts, the volunteers moved donated furniture for FFCC residents into storage so that FFCC can knock the barn down and renovate (often in the pouring rain and thunder & lightning), set up our new food program with donated food, and helped fix cracks in plaster inside the house!

“We wanted to volunteer right here in Hancock County and help make a difference to those in need”, said Carl Witham of Key Bank in Ellsworth.

Neighbors Make the Difference Day launched in 1991, with a group of KeyBank employees in Alaska who volunteered for service projects. By 1993, KeyBank extended the concept to many of the communities it served, making it an official day of employee volunteerism. Now, Neighbors Day is a hallmark program and leading corporate volunteerism effort in America, showcasing KeyBank’s commitment to communities. This year 7,000 employees completed 800 community projects across the nation.

“Volunteerism is central to KeyBank’s culture and to the character of our company,” said KeyBank Market President Sterling Kozlowski. “Neighbors Make the Difference Day is one way we bring that to life and help our neighborhoods and our communities thrive.”
