Scholarship will expire in 5 years unless letter of intent is received at NEHC administration office.

Each Medal Committee, at its discretion, may arrange for additional awards to be presented at the Medal Finals.

## GENERAL JUMPER RULES

Ties involving first place in Open classes must be jumped off except as specifically outlined herein. Horses that are tied for other than first place in all jumper sections shall either remain tied and the prize money shall be equally divided among the tied horses, or the time taken to complete the course will decide between any horses with equal faults. Method of breaking ties must be stated in the prize list. If horses remain tied, riders shall toss a coin for the ribbons.

In Puissance and Six Bar Classes, if horses remain tied after the second attempt to clear a particular height, they will remain tied and be pinned equal firsts.

Any exhibitor who advises the Judge that he will not participate in a jump-off, is thereupon placed last of the competitors in that jump-off; and should more than one exhibitor not participate, all those not participating shall remain tied among themselves and the tie among them shall be broken by the toss of a coin. The remaining competitors in the jump-off shall break the tie among themselves by jumping-off, or if otherwise permitted under the rules, may agree to the toss of a coin. Should there be only one such remaining competitor in the jump-off, he is required to attempt at least the first obstacle in order to earn top placement in the jump-off.

A Judge or Steward shall conduct the breaking of ties when they are to be determined by the tossing of a coin or designate a placement under one management or ownership.

Jump-offs will be held over the original course altered as outlined below. In a jump-off, the sequence of obstacles may be in any order as long as the original direction is maintained. In the event of clean rounds, the height and spread of at least 50% of the obstacles may be increased at least 6". If there are no clean rounds, obstacles may be raised, lowered, broadened or narrowed. Courses may be shortened, except in the Six Bar Class, after the first round and must be shortened in the event there is more than one jump-off. However, except in Puissance Classes, the course may not be shortened to less than 6 of the original obstacles and must include at least one vertical and one spread jump. Except in Fault and Out Classes, when two or more horses incur the penalty of elimination during a jump-off, they remain tied, regardless of the cause of elimination or the point at which the penalty was incurred. A competitor who withdraws in a jump-off must always be placed after a competitor who has been eliminated in the same jump-off.

If management has permitted a rider to compete out of order in the first round of a class to minimize delays, the rider must compete in the timed jump-off in the order originally posted. However, to avoid delays, a rider may be allowed, if he so wishes, to go ahead of his posted order.

If two or more horses are under the same ownership or management, the owner or manager may choose the starting order of his horses in the first class, but this order must be maintained for the entire show.

Points will be awarded only in the following classes and only when they are conducted and scored under the TABLE specified in the Prize List; Any class that consists of a minimum of six jumps in the first round, the specifications of which do not exclude any exhibitor who is competing for points.

**All Junior Riders in any Jumper class must wear Hard Hats with Harnesses. See Page 22, Rule VII, G.**

Time starts as the horse crosses the finish line for the initial course. The use of a Time Allowed is optional in the first round. The Time Allowed in the first round may be taken by electronic or manual means.

## Educational Scholarships

NEHC encourages Junior Riders to pursue education beyond the high school level and awards a \$500. Educational Scholarship to Junior riders in the following four equestrian disciplines:

- **Hunter Seat Pleasure Equitation** - Contact Camille Pepin
- **Western/Reining Seat** - Contact Camille Pepin
- **Saddle Seat Equitation** - Contact John Lampropoulas
- **Hunter Seat Equitation** - Contact John Bahret

Please contact Camille Pepin at [judgecam2@aol.com](mailto:judgecam2@aol.com) for an application or under scholarships on [www.nehc.info](http://www.nehc.info). Candidates for the award must have qualified for the medal in year of final and be attending school. Scholarships awards will be presented at the Finals for each discipline.

Selection will be based on the ability and aptitude for pursuing education beyond the high school level, community service, leadership and achievement with horses; less on financial need. *Previous applicants not awarded the scholarship may reapply.*

If in the opinion of the Scholarship Committee, no applicant meets the standards as set by the Committee, the scholarship funds will be held within the NEHC Scholarship Account.

NEHC furnishes each medal committee with a certificate to be presented to the NEHC scholarship winners. Scholarship winner will have to present their transcripts with a 3.5 grade average to the Administration office upon completing their 1st semester in Post-Secondary School. Scholarship will expire in 5 years unless letter of intent is received by the NEHC office.
