

# Summer

— mini camps —  
7-12th Grade

01

## Basketball

Enjoy a weekend of fun with other basketball players from around New England. We will be working on essential skills and fundamentals for individuals and team play. You'll be challenged and encouraged in your walk with the Lord while improving your basketball abilities.

02

## Fine Arts

Whether you're interested in music, speech, drama, or visual arts you will have a great time learning and growing over this fun weekend. You'll be able to learn more about many aspects of the Fine Arts and participate in group activities with other young people. This is a great opportunity to explore the ways God has gifted you to glorify Him through the arts.

03

## Science

Explore and learn more about God's creation through this action-packed weekend! You will be able to explore the wonder of nature, the excitement of rocketry, and the innovation of robotics. Join other young people in developing a greater understanding and appreciation for God's amazing handiwork.

04
