

## Lower School Dress Policy

### Dress Code: General Guidelines

Believing that our outward appearance is a reflection of our heart and mind, Dublin Christian Academy expects parents to exercise good taste and judgment in the dress of their children who are students at DCA. Through our clothing and our hairstyles, we either draw attention to ourselves, or we magnify the Lord. The following dress code applies to all school functions unless otherwise specified.

As a Christian organization, we want our students to reflect a Christian testimony by dressing in a way that is consistent with Biblical principles. Although there is no single style or form of clothing which is Biblical, I Timothy 2:9 teaches the principle of modesty, and Matthew 6:25-33 stresses that clothing should not be the emphasis of one's life. As an educational institution, we want to promote an appearance that reflects high standards of academic performance and the importance of education. We do however, recognize that different types of clothing are appropriate based on the occasion or activity. Therefore, the following guidelines outline the dress code for the many facets of life here at Dublin Christian Academy.

### **General Dress Policies for Lower School:**

1. All clothing is expected to be neat, clean, and wrinkle-free.
2. Clothing size should be appropriate for the size of the student.

The administration of Dublin Christian Academy reserves the right to determine if dress or appearance is appropriate. Parents will be notified of inappropriate dress or appearance and will be given a description of the steps necessary to fix the problem.
