# 20 DAYS OF GOD'S PROMISES

M R . E R I C

# A NOTE FROM MR. ERIC

Dear Students,

**Psalm 46:1 God is our refuge and strength, a very present help in trouble.**

There are times when God allows unexpected things to happen in our lives. I am sure you did not expect to have three weeks away from school over Spring Vacation. Well, neither did I! However, God has known all along that this was going to happen. He knew you were going to be coming to school today to get your books, and to study at home for a few days.

When we face unexpected circumstances or difficult times, we can rest in knowing that God is in control and that He is our “refuge” and “strength”. An important way to be reminded of this truth is to be sure to spend time with the Lord, and to bring our praises, thoughts, concerns and requests to Him. It is important to stay in fellowship with Him so that He can provide the guidance, help and encouragement that we need.

I have put together this tool for you to use to help you to spend some time with the Lord over the next twenty days. This is not a requirement, homework assignment or anything that you will have to hand in.

It is just a tool that I hope will encourage you while you are away from school.

There are three sections to each day:

1. A promise from God to think about
2. A prayer request to bring to the Lord
3. A project to help you enjoy the day

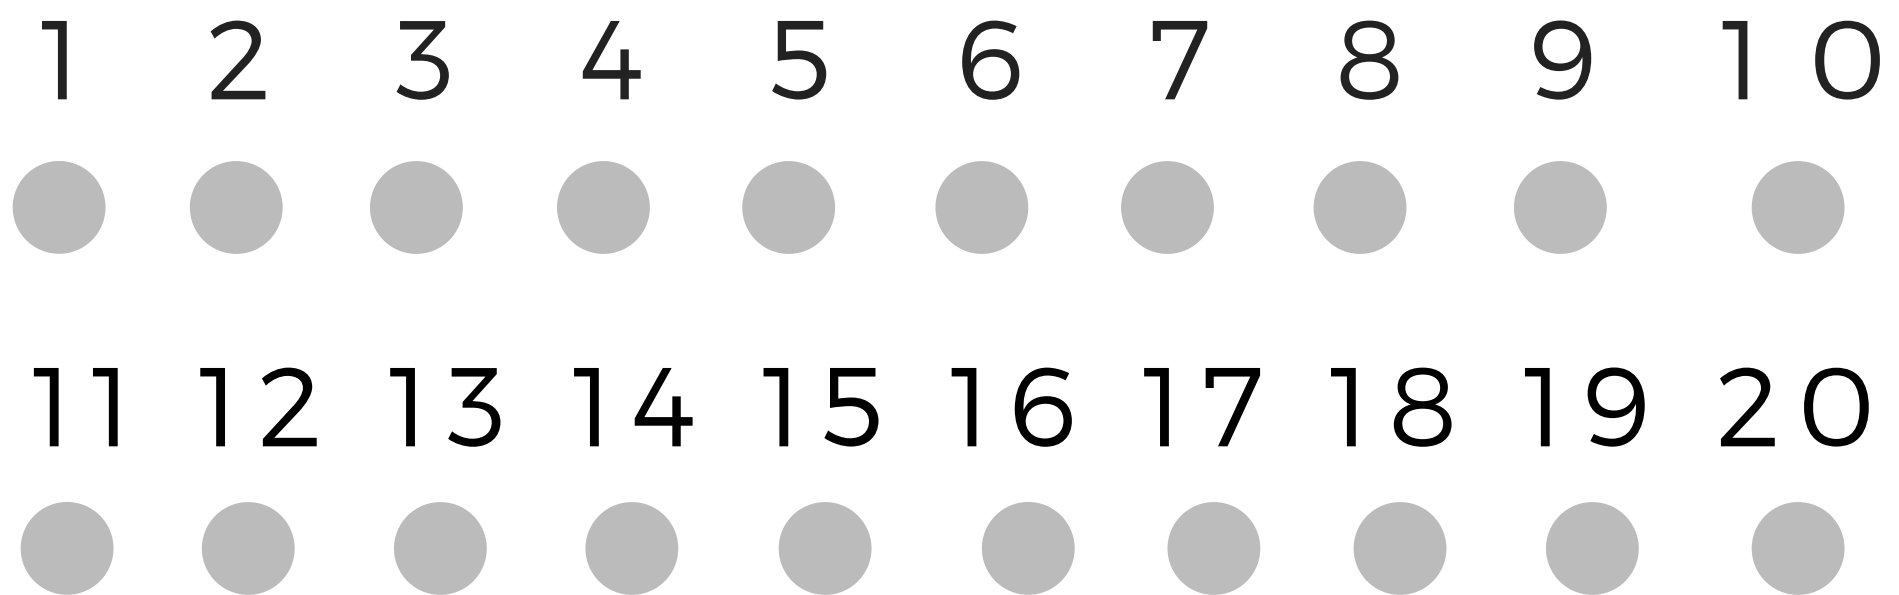

Since I put this together for the entire school, there will be things that may seem “childish” to some.

There may be other things that might require some help from a parent for others. You can use this tool however you (or your parents) want.

I want you to know that we love each and every one of you, and that the faculty and staff will be praying for you and your family. God has a plan in all that He is doing, and we can be so thankful that He is our refuge and strength.

Love in Him,  
Mr. Eric
