

“RICHARD AND ESTHER FLACK”

Started riding around age 12. Owned over 9 bikes from Honda, Harley, Indian and BMW.

Some of my longest rides have been from Illinois to Texas Coast (Corpus Christi).

I’ve raced in the Hills of Denver with my Harley. Going up them Hills and also falling down. Also, been in many motorcycle races. Especially being with the Police Department in chases.

My wife Esther of 39 years loves to ride just as much as me. Maybe even more.
