

Charles "Chuck" Williams

Been riding since 1960 (56 years). Started with Cushman Eagle Scooter. Finest motorcycle. New 1961 Benly 150, then Honda 305 Super Hawk. Too many bikes to name them all. But standouts were: Kawasaki 500cc Triple 3 Stroke, 1974 BMW R-905, 1990 Honda 1500 Goldwing. Rode dirt bikes several years during the 70's. Now have a 1800 Goldwing and a Honda ST1300 (for sale).

Have ridden mostly in southeast and southwest states. St. Louis, Missouri is furthest North I've been in the US. Rode street bikes (Honda 350) two years in Japan.

Took my wife to the Alabama State Fair on my Eagle. Never won anything before but this time. I won 2 HUGE Teddy Bears. Had to ride home with one bear on the tank in front of me and one stuffed between me and the wife. Must have been a sight riding through Montgomery, AL with 4 of us on that Cushman!
