## BIENVILLE PLACE NEWS

### ANNUAL MEETING

Our annual Association meeting will be held in the Ocean Springs Middle School Cafetorium, at 6:30 p.m. on Thursday, **November 8**. We'll elect officers for the Board of Directors and Architectural Review Board members for the upcoming fiscal year. If you would like to volunteer for one of the positions, let one of the Board members know. You can also volunteer at the meeting.

If you can't attend, please give your proxy vote to another member. Without a 20% quorum comprised of members and proxy votes, we can't conduct business. We look forward to seeing you at the meeting.

### BOATS, MOTOR HOMES, & TRAILERS

The BPOA covenants prohibit boats, motor homes, and trailers from being stored on your property without being concealed from view, either within an ARB approved storage facility or within your garage.

### HALLOWEEN SECURITY

The BPOA Board President contacted Alderman Dalgo in reference to crowd control and safety in Bienville Place on

Halloween night. He was advised there will be Reserve Police officers in the neighborhood.

### RAILROAD CROSSING

**GOOD NEWS!** At the last meeting, Mr. Buddy O'Brian addressed the condition of the Hanshaw Road railroad crossing. The Board contacted our representative on the Jackson County Board of Supervisors, Mr. John McKay, about the concerns of our members with this crossing. He was asked to assist us any way possible to expedite repairing this crossing. He contacted us last week with **good news!** CSX should be repairing this crossing within the next 2 weeks.
