## Notes

Work to get the mention out of your music. Review and pay attention to these things were a mention can be heard; bass guitar, extra unneeded added instruments, purchased produced work, voice, rhythms, over concentrating collectively, violin, keyboard, background, non faded instruments, echo, drum, piano, strings, wind wood, and extra bass. Achieve simple songs without mentions.

## Terms and Conditions

Hypers theme Overlap / Chris Neville Mentions  
Go to the homepage to pay your invoice. The invoices are labeled under the quarter of its release. Once it is paid you receive permanent release updates on your username. Heard mentions of releases after payment will still be invoiced, but you won't lose your updates or your username.
