

GREETINGS APOGEE COMMUNITY

We hope everyone had a happy and safe Fourth of July. Summer is in full swing and it's prime-time for trips up North! Plan a trip with Apogee before the summer is over. Email schedule@flyapogee.com to plan your summer getaway!

OSHKOSH AIR SHOW

We have two groups starting to form for a trip to EAA AirVenture Airshow in Oshkosh, Wisconsin. One group on Tuesday, July 23rd for the day and another group on Wednesday, July 23rd for the day. We would estimate roughly \$1400/person, depending on the exact plane/details. We still have open seats on both the trips, but they are filling up fast!
