

WELCOME TO OUR NEW NEWSLETTER

From everyone here on the Apogee team, we hope that your Spring has sprung nicely. We continue to update our operation and would like to keep you in the loop with the progress.

LOBBY

The lobby remodel has begun. We will do our best to redirect you accordingly. For training and trips, we ask that you get in contact with an Apogee team member. You may need to park on the west side of hangar one, whereas your instructor would meet you at that entrance. We expect the remodel to be complete by the end of May.
