

## Lake Travis Softball Booster Club Membership

The Booster Club supports and enriches the softball experience for our athletes by providing funding for travel expenses, needed equipment, facility improvements and program expenses not covered by school funding. Support for these needs will come through Booster Club membership fees, sponsorship by local businesses, concession stand receipts, gifts and fundraisers.

As far as Booster Club membership, we have identified four levels below. We encourage your participation at any level. In order to meet anticipated program expenses, we must raise in excess of \$1,000/player, through all methods, to cover the shortfall in program funding. Note that, per UIL Rules, Away-Game Meals, Teacher Appreciation Shirts / Gifts, Playoff Shirts, and Big Sis / Little Sis gifts are not covered in this membership.
