

# Wilmington Primary School

April 2017

Dear Parents

Welcome back to term 5, the children have returned after the holiday very focused.

With the possibility of this term being warm, the children will be able to bring water in to drink. The water should be in a bottle with a sports cap and have your child's name clearly marked. The bottle should come into school in the morning filled and then taken home at the end of the day.

The topics being covered this term are season changes as well as growing plants later in the term. We are also investigating our local area. Our continued focus is to write interesting, correctly punctuated sentences across the curriculum.

Please can you remember to label all clothing as it makes it easier to return lost items. We are still doing PE on Thursday and Friday.

Our summer trip is to Chatham Dockyard - more details later in the term.

Yours sincerely

Mrs Turpie
