### Christian Formation Mission

Christian Formation is the umbrella term that captures the essence of what we strive to do as we educate and form adults, children and teens in the Catholic faith. It is a lifelong process aimed at conversion and growth in faith. Christian Formation involves the tasks of catechesis, building and living in faith communities, proclaiming the Christian message, leading people to prayer, and motivating people to serve others. The process of formation consists of everyone in our parish community staff and parishioners responding in faith to share faith.
