

Dunn Center Class Rehearsal Schedule

This is the Rehearsal Schedule for Regular Class Practice at the Dunn Center, on Monday, April 29th and Tuesday, April 30th. Please have your child at the Dunn Center in their regular dance clothes (NOT Costumes) 15 minutes prior to their assigned class practice time.

*****Practice classes at the Dunn Center can sometimes run over their allotted time as this will be the 1st chance to practice on stage. Extra time has been left open at the end to prevent rehearsal evenings from going past 9:00, but please expect some classes to run over their 15 minute time slot as we perfect our dances. We appreciate your patience as we work to make the recital the best it can possibly be!
