Camp MoVal

2019 Outdoor Ministry Programs

Greetings from The Director

Welcome to the 2019 camping season! We are excited to offer you another great program this year as we explore the theme: **Peace Works, Embracing the Next Generation of Peacemakers**. As part of our outdoor ministry programs, campers and participants will explore the outdoors, be part of a safe and caring environment that enables campers to deepen the faith experience and allows them to see their faith through a unique camp experience.

Along with our faith based curriculum, campers will rekindle old friendships and make new ones, grow themselves personally in the many activities of camp and explore the wondrous outdoors! Thank you for choosing MoVal.

We look forward to serving you! - **Jeremy Force**

Program Goals

- Assist each camper in their own spiritual growth and development.
- Help each camper appreciate their natural surroundings, conserve, and protect the environment.
- Provide experience for each camper to set goals and challenge themselves while discovering new skills and abilities.
- Provide opportunities for each camper to live and participate in group living and be part of a healthy, active community.
