SCOTTISH START • ISSUE 12

Welcome...

Welcome from Rallye headquarters in Broughty Ferry, the sunshine capital of Scotland.

But our thoughts are on the snow and ice of the Alps and the prospect of some warm winter sunshine in Monte Carlo. Rallye headquarters is buzzing - emails, phone calls, Heritage run entries in the post - it's a busy life being retired.

We are very pleased to announce that there will be around 20 ACM entries going to Monte Carlo in 2016. The cars taking part in the Rallye Monte Carlo Classique will be joining the Historique cars after their long drive from John O'Groats. The range of cars is very impressive. From a 1927 AC Coupé to a London Taxi with classic gems of all shapes, sizes and marques in between. There is an immaculate A35, a rare 1959 Lotus Elite, a pre-war Lagonda and Bentley as well as some very smart 1960's Historique entries. It will be a fantastic spectacle and a feast for the eyes and ears.

There is still time to enter the Rallye Monte Carlo Classique. ACM have left open the closing date so if you have a pre 1960 car please get in touch by phone (01382 731755) or email dglanderson1@yahoo.co.uk At £1100 entry fee, it must be the bargain of the century.
