Safety Information

ATTENTION: If you receive a glass housing that is broken or defective, please contact our helpful customer support team immediately (see page 10). We will be more than happy to send you a replacement.

IMPORTANT: Please read, understand, and comply with all of the instructions provided in this manual before using the device. Failure to comply with the instructions given in this manual and/or using the device in ways other than the ones mentioned in this manual, may result in serious injury and/or damage the product.

- Keep out of reach of children.
- Avoid exposure to high-temperature sources, direct sunlight, and humid environments. The lamp is for indoor use only.
- **DO NOT** strike or drop the lamp. The glass lamp housing may shatter and cause injury.
- To avoid damage, move and handle with care.
- **DO NOT** wash with water or detergents. Do not immerse in any form of liquid.
- **DO NOT** place the salt lamp near any electrical appliances. The natural evaporation may humidify or damage other appliances.
- Due to the nature of salt, each crystal varies in color, shape, size, and weight.
- If the salt crystals become moist, set the lamp to its highest setting to allow the salt crystals to dry.
- **DO NOT** replace the bulb while the lamp is connected to a power source.
- Although the salt crystals are non-toxic, they are not made for consumption and may present a choking hazard.
- **DO NOT** pour salt crystals directly in or out of the housing. Doing so may damage or even break the salt crystals as well as scratch or crack the glass housing.

Main Functions

Function Diagram

- | | |
|------------------|-----------------------|
| 1. Salt Crystals | 6. Bulb Socket |
| 2. Lamp Housing | 7. Lighting Control |
| 3. Base | 8. Power Cord |
| 4. Bulb | 9. Lamp Housing Pad |
| 5. Bulb Housing | 10. Anti-Skid Padding |

Set-up

1. Place salt lamp housing and base on a flat, level surface.
2. Remove silicone caps from the base.
3. Remove salt crystals from their packaging and carefully place them inside the housing, ensuring that the crystals are evenly distributed around the bulb housing.
4. Plug the salt lamp into an electrical outlet.

NOTE: DO NOT pour salt crystals directly into or out of the glass housing. Doing so may damage or even break the housing.

Operation

Function	Operation
Power On	Tap the lighting control button once.
Brightness Control	Press and hold the lighting control button and release at the desired brightness.
Power Off	Tap the lighting control button once while the salt lamp is on.

NOTE: The lamp will remember the last mode and brightness level when turned on and off, only if the lamp is still plugged into a wall socket.

Light Bulb Replacement

1. Turn off the salt lamp and unplug it from its power source.
2. Carefully remove the salt crystals to reveal the bulb housing. Place the salt crystals in a safe, dry place.
3. Gently twist the top of the bulb housing while pulling it up to uncover the bulb.
4. Remove the bulb from its socket by gently turning it counterclockwise.
5. Install a new C7 15W bulb, and replace the bulb housing.
6. Carefully replace all of the salt crystals back into the housing, ensuring the crystals are evenly distributed.

Cleaning & Maintenance

General Maintenance

- Regularly dust off the salt crystals with a dry clean cloth.
- **DO NOT** wash or clean salt crystals with water or liquid detergents.
- If not in use for a long period of time, store the lamp in a cool and dry environment, covering the crystals with a plastic bag.
- The lamp may naturally moisten in humid environments. If used in a humid environment, keep the lamp lit for several hours for the crystals to naturally dry out.
- If the salt crystals become moist, gently pat them down with a dry cleaning cloth.

Replacing/Cleaning the Glass Housing

1. Unplug the lamp and remove all of the salt crystals.
2. On a clean, flat surface, lay the lamp on its side and remove the four screws at the bottom of the base. Carefully slide out the glass housing and bulb socket from the base.

3. Wipe down the housing using a clean dry cloth.
4. Replace lamp housing and bulb socket on the base; secure the lamp housing using the included screws. Carefully place the salt crystals back into the housing.

Specifications

Voltage	AC 120V / 60Hz
Rated Power	15W
Weight	9.9 lb (4.5 kg)
Size	6.5 x 6.5 x 12.2 in. (165 x 165 x 310 mm)

Warranty Information

Terms & Policy

Levoit warrants all products to be of the highest quality in material, craftsmanship and service for a minimum of 1 year, effective from the date of purchase. Warranty lengths may vary between product categories. Levoit will replace any product found to be defective due to manufacturer flaws based on eligibility; refunds are available within the first 30 days of purchase. This warranty extends only to personal use and does not extend to any product that has been used for commercial, rental, or any other use in which the product is not intended for. There are no warranties other than the warranties expressly set forth with each product.

This warranty is non-transferrable. Levoit is not responsible in any way for any damages, losses or inconveniences caused by equipment failure or by user negligence, abuse, or use noncompliant with the user manual or any additional safety, use, or warnings included in the product packaging and manual.

This warranty does not apply to the following:

- Damage due to abuse, accident, alteration, misuse, tampering or vandalism.
- Improper or inadequate maintenance.
- Damage in return transit.
- Unsupervised use by children under 18 years of age.

Levoit and its subsidiaries assume no liability for damage caused by the use of the product other than for its intended use or as instructed in the user manual. Some states do not allow this exclusion or limitation of incidental or consequential losses so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

ALL EXPRESSED AND IMPLIED WARRANTIES, INCLUDING THE WARRANTY OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.

Should your product prove defective within the specified warranty period, please return the defective unit in its original packaging with (1) an original copy of the invoice, (2) your order confirmation number, (3) and your warranty ID number.

To find out more about extending your warranty, visit www.levoit.com/warranty or contact customer support.
