

# Colorectal Anastomosis Course

We invite you to join us on this one-day course

Including hands on practical sessions in:

- Hand-sewn end-to-end bowel anastomosis
- Stapled anastomosis techniques using linear and circular staplers
- Teaching based around case scenarios using animal tissue

With a high faculty-participant ratio; one-one feedback and of course – lunch!

Aimed at surgical CT1 to ST3 trainees

Saturday 11<sup>th</sup> March 2017 0900 - 1600

Postgraduate Education Centre

University Hospital North Midlands

Stoke-on-Trent ST4 6QG

Course Cost £50
