2. Any bowler who is ineligible to take the full amount of scholarship money offered may participate, but is only required to pay the lineage, expenses and year end for a total of \$25. All late fees still apply. The bowler will also not be eligible to make match play due to not being able to receive scholarship.

3. This tournament will be conducted on a sport condition; however it is not sanctioned sport. All honor awards shot during a tour tournament will be eligible for basic honor awards, not sport.

4. This is a scratch and a handicap tournament. The divisions are as follows using league averages for new tour bowlers: Scratch boys and girls with an entering average of 180 and up; Handicap with an entering average 179 or below. Handicap based on 80% of 200. All new handicap members MUST have a sanctioned league average verification. All bowlers will be re-rated after 6 games of tournament play and then will carry a tournament average.

4a. At the beginning of each new season, previous members will carry their last year's average until their new 6 game average is in effect.

4b. Bowlers ending the season with a sport average of 175 or higher will be moved up to the scratch division. Scratch bowlers ending with a sport average under 175 may inquire about changing divisions.

4c. Once a bowler has moved up to the scratch division for one tour event, they are no longer allowed to bowl handicap for the remainder of the season.

4d. Any bowler, regardless of average, is allowed to bowl in the scratch division, keeping in mind rule **4c**.

5. **Brackets** are an optional side event that pairs you against another bowler randomly in a head to head three round format. Entry fee for brackets will be returned 100% as scholarship. Cost to enter is \$5 each bracket and will count for games 2, 4, and 6. **Mystery Doubles** is an optional side event that randomly pairs you with another bowler to be partners. Cost to enter is \$5 for each entry and will count for games 1,3 and 5.

6. Tournament format: Bowl 6 games, moving lanes to the right after each game (Number of lanes to move will be determined based on entries and lanes used). The top 6 in each division

will bowl 6 games of match play against each bowler making the cut, with the last game being a position round. The winner of each match play will receive 20 bonus points and in ties they will split 10/10. Position winners are based on a total accumulation of pin fall, bonus points, and handicap, where applicable.

7. Each tournament will also be a Junior Gold Qualifier. This is optional for an additional \$50 entry fee for U20 division, \$37.50 entry fee for U15 and \$25 entry fee for U12. We will advance a ratio of 1:4 with next seed in line over the ratio number having the option per USBC rules to purchase the remaining portion of their junior gold entry, but only the next seed in line. If that person does not choose to purchase, it does not carry down to next person in line. There will be a separate division between boys and girls, if we have at least 4 entries in each division. If there is not enough bowlers for a U15 division then they will bowl in the U20 qualifier for a \$50 entry fee if they so choose. Keep in mind, when bowling in a U15 ONLY division qualifier you will not be eligible at Nationals to bowl up to the U20 division. If there are not enough bowlers for the U12 division, their money will be refunded and qualifier canceled. If U12 bowlers so desire they may participate in the older divisions.
