ISST REPRESENTS AT 2016 JUNIOR GOLD CHAMPIONSHIPS

Junior Gold Championships in Indy was a year I will never forget because of the experiences in its self, and the accomplishments of the ISST Family. This year I got to be more involved, helping with registration, opening ceremonies, working at All Star, and helping with the TV tapings. It's amazing the amount of work that goes into pulling off an event this large. I also made new friends from California, Las Vegas, Missouri, Texas and Montana. But....I would have to say that the best part of the 9 days was watching the standings and seeing how amazing all of you were doing and seeing you walk out at the opening ceremonies. What a great group of kids! This years' event had tougher patterns, and the lack of not knowing what you were going into made it more difficult too. For some it was their first year; and some their last. I couldn't be prouder of all of you. I'd say our ISST family did an excellent job!

What is your favorite thing about the tour?
My favorite thing about ISST is meeting new people, bowling different patterns, improving my game by watching others bowl. I enjoy getting to bowl on competitive patterns. My school doesn't have a bowling team so bowling the ISST is the only bowling I really get to do.
