

NEXT LEVEL BOWLERS CIRCUIT

For all the ISST alumni, parents of ISST bowlers and any adults who never had the opportunity to experience this type of competition or atmosphere, we introduce to you, the Next Level Bowlers Circuit!

Starting off slowly, the NLBC will be held in conjunction with the ISST tour stops once a month. We hope to get the word out this first year and grow enough to move it to its own day and weekend next year.

This year we have started out with one scratch division but expect to add a Women's Scratch and a Handicap Division next season. Format is a very competitive one with 6 games of qualifying. Top 6 bowlers in a division will move onto 6 games of match play with bonus pins for the win! Pin fall from qualifying carries over into match play. Another format that will be tested out when space allows, would be 4 qualifying games, cut to top 16 for double elimination matches.

We also offer brackets for \$5 and High Game Pots for \$10. Prize fund will be paid on a 1:5 ratio, which means a minimum of 30 bowlers to get the top 6 in match play paid out. If the top female bowler this year does not make cut or receive a payout, she will be awarded \$40 as the top female finisher.

Check us out on Facebook, email pattimauerman@gmail.com or call/text 309-369-3862. The NLBC is hoping that their events will bring awareness to those who have often wondered "what is a sport shot"; remembrance to those who miss the competition; a sense of belonging to a "One of a Kind" family and continuation of the greatest sport ever! #LiveLoveBowl

"I am so grateful to be a part of such an awesome tour. Everyone goes out of their way to help Patti and make the tour a success."

Over the years, I have met some of my closest friends who have helped transform me not only into the bowler, but the person I am today. You all have impacted my life. Thank you all so much for everything you do for the tour".

ISST Bowlers Make Jr. Team USA

The Illinois State Scholarship Tour advanced 102 youth bowlers to compete in the Junior Gold Championships in Chicago, IL. Our bowlers had strong representation in the top 100 of each division throughout the tournament. When all was said and done, two ISST bowlers were awarded positions on Jr. Team USA.

Congratulations to Julia Bond (Aurora, IL) for earning a spot for the third consecutive year. Also congratulations to Brandon Biondo (Carpentersville, IL) for earning spot on Jr. Team USA.

2016 Junior Gold Championships will be held in Indianapolis, IN. As always, you may attempt to qualify at any ISST Tour stop for an additional fee.

President's Note

Well it is that time of year again, the Illinois State Scholarship Tour is back! I hope everyone had a great summer and enjoyed some rest and relaxation. I personally am very excited for this new season as it is my first term as President of the Illinois State Youth Leaders.

I am excited to announce the launch of the Next Level Bowling Circuit for not only alumni, but also adult bowlers across the Midwest. As a collegiate bowler myself, I am a strong believer in challenging patterns to keep the scores low, but also keeping spirits high and creating the feeling of a bowling "family".

I also plan on using connections I have already established in the bowling world to promote the tour even more, bringing more competitors and awareness to our tournaments. This season will be one for the record books, and I hope you are willing to join the journey with me.

See you soon!

ISST Dress Code

Rule #16. Bowlers must be dressed in proper attire when checking in; a shirt with a butterfly or mock collar and dress pants for both boys and girls. USBC youth jerseys will also be acceptable. No hats, jeans of any type, skirts, skorts, shorts, spandex, yoga pants or t-shirts are allowed.

In the past, due to the heat in August, the first two events allowed bowlers to wear shorts, skirts and skorts. This is no longer acceptable due to concerns regarding styles and appropriate lengths. If you have any doubts about your clothing being acceptable, it is best not to wear it. You may bring the item to a tour stop and ask Patti if it is acceptable, then change later.

THIS RULE IS STRICTLY ENFORCED!
