## STORM YOUTH BOWLING CHAMPIONSHIPS

The Storm Youth Championships was created to celebrate all of the great things about youth bowling. Our goal is to bring players and their families from around the country together in the spirit of competition and camaraderie.

2017 marks the Inaugural Annual Event. Scholarships, trophies, and medals will all be awarded during a special closing ceremony. In addition, the top 2 from each division will be named to the Storm All-American Team of 2017.

Charitable giving has long been a focus at Storm so it only makes sense that we align the Storm Youth Championships with a worthy charity. This year's charity of choice is Ballard vs. The Big "C", known as BVBC.

BVBC was created out of love for PBA Hall-of-Famer, Del Ballard, Jr., who has survived his battle with tonsil cancer. Since forming, BVBC has raised over \$200,000 to help support the battle against cancer. This year at the SYC we will all get to help raise more funds through special events at the Storm Youth Championships.

We now have 100 entries from 15 different states and we expect the event to sell out of all 234 entries. We hope you will join us March 24-26, 2017 at the National Bowling Stadium in Reno for all of the fun, friendships, and competition.

*Yours truly,*

*Storm Youth Championships Tournament Committee*

**When did you start bowling the ISST?** 2015

**What is your favorite thing about the tour?**  
*I like bowling on challenging sport patterns to prepare me for Jr. Gold and making new friends.*

**What kept you going through the hard times?** *I remind myself that I am bowling for experience and to help my game for future tournaments. My parents are always there to encourage me and to remind me to have fun.*

**What advice would you give to someone who's just starting the ISST?** *Don't worry about your scores because bowling on a sport pattern is more difficult than bowling on a house shot. Just have fun and try your best. Don't get discouraged.*

**Who's your biggest inspiration?**  
*My parents because they always strive for the best in life for me and my brother.*

**How many times have you been to Jr. Gold?** *One time in 2016 and I already qualified for 2017*

**What is your positive takeaway from Jr. Gold?** *I was able to bowl with my friends and meet new friends from all over the country. I also liked bowling in the different houses and trying to figure out the patterns.*

**What is your negative takeaway from Jr. Gold?** *I would let myself get frustrated when I didn't throw the right shot on the pattern and that made me lose my concentration so I didn't bowl as good as I would have liked.*

**Overall, what has bowling done for you?**  
*Bowling has allowed me to meet new friends and have fun. It gives me a chance to challenge myself and push myself to the next level of my athleticism.*

**Age:** 16

**School:** Moline High School

**Home Center:** Highland Park

**Division:** Scratch Girls

**Sanctioned High Games/Series:** 256/686

**Started bowling at age:** 10

**When did you start bowling ISST?** 2014

**What is your favorite thing about the tour?**  
*I get to make a lot of new friends that have the same passion for the sport as I do, and it also helps me to improve my game.*

**What kept you going through the hard times?** *Knowing that I was doing the best I could and that I could always come back the next game.*

**What advice would you give to someone who's just starting the ISST?** *It is going to be tough and you are going to want to give up. Never give up on yourself because once you get down on yourself it is going to mess up your whole game.*

**Who's your biggest inspiration?**  
*My brother because he is overseas but he still manages to support me in everything that I do.*

**How many times have you been to Jr. Gold?**  
*1 time*

**What is your positive take-away from Jr. Gold?** *Just the fact that I got to be there and experience it was such a great take away.*

**What is our negative take-away from Jr. Gold?** *It was definitely mentally and physically exhausting, and I put too much pressure on myself.*

**Overall, what has bowling done for you?**  
*Bowling is my get away from the real life of high school. If I ever need to get my mind off of something I just go to the bowling alley. Everyone I met in the bowling community has become my second family.*
