"Friends of USAA"

Advancing His Kingdom International is now an option for those who give through **Benevity**. If you work for USAA or know someone who does, we are asking you (them) to prayerfully consider giving to our ministry work in Africa. Look for Advancing His Kingdom International. (is a 501c3)

AHKI "Impacting Africa"

God is at work through J-Life Discipleship Training. Matt 28:18-20

Testimonies from 2 of the 16 Pastors I have been training in Ethiopia:

PASTOR ASHENAFI: is one of our trainees who is ministering in communities throughout several regions that are predominately Muslim. He is serving as the chairman of the Evangelical Churches fellowship in those regions. The fellowship contains 19 local churches from 8 (eight) different denominations. So far he has trained more than 120 other church leaders and out of those he has sent 23 local missionaries to various villages where the majority of the communities are Muslim. He started the disciple making movement based "J-Life's Training" on the Jesus' way of Discipleship. They have now planted 4 churches in the last year. The following are Community names & the number of Muslims who have come to Christ: (removed the community names for precautions) _____ - 25, _____ - 10, _____ - 17, _____ - 27.

These are local church / house groups with Muslim backgrounds in the area. The movement continues and many more keep coming because the approach to reach them is different and much better than had been used previously. As a result of the J-life training, Ashenafi said that his ministry, as well as the results of his ministry have changed completely. He has advised many pastors to please use the method that Jesus used to start the movement. J-life training has been an eye opening tool that has helped him see ministry through the principles of Jesus' Life.

PASTOR SEBESEBE: is one of the participants in our J-life training. He is one of the elders in Nazareth Emmanuel United Church in the city of Nazareth where we have been holding the training. Pastor Sebesebe has passion for children, teenagers and young people in the church. After he received our J-life training he has trained 56 teenagers (from age 12 - 17), 44 youth (from age 18 - 28) and 22 Sunday school teachers. He has made the J-life materials as the church's teaching manual for discipleship in the local church. It is like a revival of Discipleship movement in my local church said Pastor Sebesebe. And added that he thanks God for this opportunity that he has gotten to be apart of this J-life training. He will keep praying for J-life ministry that God will enable the ministry to reach out many more countries in Africa and beyond. Because he believes that the African Churches need to be disciplined with the true foundation of the word of God.

FINISHING 2019 WELL:

Darleen and I are very grateful for your prayers and financial support, which allows us to train pastors, church leaders and as the J-Life East Africa Regional Director, to shepherd the Country Leaders across Eastern Africa. This year over 455 Pastors and 1,568 Church Leaders have been trained and equipped to implement disciple making movements in 213 churches. This year, I personally was blessed to have the opportunity to train 72 pastors and department leaders that represent 36 churches, which in turn, have trained over 446 church ministry volunteers.

VISION 2020

As God continues to expand the work through J-Life Africa in Africa, I am praying God will open the door for me and our leader in Ethiopia, Samson Weldemariam, to start pioneering into the countries of Djibouti and Eritrea which borders the Red Sea and the Gulf of Aden.

PRAYER:

- Our Fundraising Dinner January 12, (see above)
- School Children Sponsorships (\$20 per month)
- Safety as we finish our travels in the USA.
- Mission Teams to come minister with us.
- Steps To The Future Academy- 2020 New Enrollments.
- Teachers to be refreshed during their break.
- Final provision for J-Life Travels to several countries in 2020.
- Our health and safety.
- 2020, we will see and experience Holy Spirit Power.
