

**After nearly 6 years** living on the Nyala coffee farm, our time there is coming to an end. On March 7 we returned from training at South Coast and found a letter on our kitchen table. The letter was from the owners of the coffee estate informing us that they will not be renewing our house lease in December. Giving God all the glory for what He has done and is doing, we know that He had led us to this place and that He will lead us to another. The adventure continues as we prayed and asked God to give us Kingdom eyes, Kingdom ears and Kingdom hearts to know where He desires for us to live. By God’s design, Makayla had met a young girl, Emma, (from the USA) at a youth group fellowship whose family has been living in Kenya for nearly 6 years. Her parents invited us to their house for lunch after church several weeks back and while visiting we both shared our stories how God had called us to Africa. We then shared that we were having to look for a new place to live. They said the house next door was available, that some missionary friends had just moved back to the US! They called the owner, “Mama Jane”, and she came and opened the house for us to see. The place is nice, and we felt it would be a good place for us to live. Of course Makayla and Emma were all excited, but our concern was how many people could we sleep! We felt the house could sleep about 6 guests, so being concerned about how we would host discipleship trainings, mission teams and guest; we just smiled and said that we would pray about it. As only God can do, as we started walking back to Tyler place, he said you know that Mama Jane has 2 small guesthouses next door that she uses to host their guests. Our hearts just leaped, and we said could we go and see? She had some small beds in each room, so we asked if we could put some of our bunk beds in the rooms and Mama Jane said absolutely. Now we could possibly host up to 24 people! Long story short, we believe God has led us to this place just as he did 6 years ago and we are only 20 minutes from the school. Another praise, we met with the pastor of a PCEA church just walking distance from the new place and they are very interested in our J-Life training and said we could possibly use their facility for training!

## “Hobbs House of Hope”

In April the **“JESUS. Hobbs House Of Hope Children”** came for an overnight retreat. What a joy to have them back again. The group to the right is some of the first orphans we met over 9 years ago. They have really grown up and their lives have been truly transformed. What a blessing to see how God is raising up this group of young warriors.

# AHKI "Impacting Africa"

**J-Life Africa:** 7 days, 26 disciple makers, 9 countries represented attended our 2017 East Africa J-Life Summit. What a blessing to have these amazing disciple makers who are impacting discipleship movements across Africa. We had the leaders from Kenya, Tanzania, Uganda, Rwanda, Burundi, East DRC, South Sudan and South Africa. We were also blessed to have Doug Holliday from the USA with "Son-Life" North America leading some of our sessions. Praying, worshipping, listening, sharing, studying Jesus Life and teaching on how JESUS made disciples that made disciples. We are so thankful for those who had prayed for travel safety, those who made financial provisions to help these servants of God make this summit and to those who support Advancing His Kingdom Ministry to be able to be in Africa. Pray for these leaders, and especially those in countries that are still suffering with war and terrorism everyday. Many of these J-Life pastors / leaders are in difficult areas preaching the gospel, sharing the love of Jesus and training pastors and church leaders. Pray for disciple makers with a passion to reach into Northern Africa for JESUS. If you have a desire to know more about J-Life Africa, please go to [www.jlife.org](http://www.jlife.org)

East Africa J-Life Summit 2017'

**Steps to The Future Academy** students have been on their April school break. During the break AHKI has moved Head Teacher Enos from teaching 3<sup>rd</sup> grade to full time Administrator. Enos had been trying to balance both assignments but because of the growth of the school, we felt he was being pulled in to many directions during class. Trusting God for provision we have stepped out and hired a new 3<sup>rd</sup> grade teacher. Please pray for our Teachers.

"RABBITS" our school is raising rabbits for education and to sale.

Above- L to R: Head Teacher Enos, Kinder Teacher Peter, 1<sup>st</sup> Grade Teacher Peninah, Baby class Teacher Lucy, Asst. Teacher Florence, Preschool Teacher Florence, 3<sup>rd</sup> grade Teacher Jacqueline, Asst. Teacher Elizabeth, 2<sup>nd</sup> grade Teacher Eric and Asst. Teacher Cecilia.
