

Advancing His Kingdom International

February 2018

January 19 arrived back to Kenya.

The first 18 days of January were a blur, as we met with many people and families before we left for Kenya. So grateful to Tom & Karen Nolan whose home we base out of while visiting the US. We were in and out of their home this trip more than ever. God bless their hearts.

January 22, visiting STTF to meet the new 4-year-old class. What beautiful faces.

Big Surprise: STTF Staff and Children presented Darleen with Valentine Roses while they were celebration the all the January Birthdays!

January 23: We received news that the Kenya Government is now requiring new curriculum for all Schools! We are so blessed to have Second Baytown send the funds to purchase all these books. This is only part of the books! Most are still being printed by the Government.....

Giving God all the Praise: We again had several other expenses facing us when we arrived such as the Government's new requirement that all school buses are to be painted Yellow! Then the 76 "non-sponsored" children uniforms, shoes, backpacks, rain boots, and school supplies. *Oh, but Jesus said*, if you ask, it shall be given, so we asked and a family in San Antonio wrote to tell us that the need is being met! PTL!!! We are humbled by God's love and again so amazed how He places people into our lives to be instruments of prayer, encouragement and provision to fulfill His calling in our lives.

Bus is painted, uniforms ordered and new school supplies coming!

AHKI "Impacting Africa"

(left) Feb 1-3 "New Group" J-Life GC2 Discipleship Training PCEA Churches Kiambu area.

(right) Feb 13-17 Attended our annual J-Life Africa Lead Team Summit in South Africa. J-Life is ministering in 27 countries in Africa.

(left) February 21-24 Final J-Life GC2 Training with these pastors and leaders held at Maasai Corner Academy located in the Diani Beach area. We appreciate Pastor Erick for all the work organizing the pastors for training.

Special thank you to Chris and Lisa Moore with Real4Christ for hosting the training at the school.

Sunday I was given the opportunity to preach at the Maasai Corner Church.

(Below) Sharing the Gospel: "Witnessing Soccer Ball" Any & JJ Jorge had purchased several balls from a family member's ministry to be used to present the Gospel. What a blessing to share Jesus to all our children and give each class a ball.

WOW! God is making provision for the New Testament Church of God in our village of Ruturu. The roof is up and the windows are being purchased. Now we are asking, & believing that God will raise up His people to give the funds needed to plaster the walls, pour a cement floor and paint the inside. If you are being prompted to help, please send a donation to AHKI and designate the funds to NTCOF Building. This church is under the leadership of Pastor Michael who has been through our J-Life Discipleship Training along with his church leaders.

We also serve in and through this church to that allows us to have a greater impact in our community.

When it rains

The need for space

By Faith!

By Gods Grace

PRAY FOR GRACE, PROVISION AND SAFETY:

- April 22-28 Hosting the East Africa Summit-
- Darleen as she leads (STTF) "Steps To The Future Academy" ministering to children, teachers and their families.
- STTF Child Sponsorship- Were at 61% of our 150 Sponsorship Goal!
- Makayla as she continues homeschooling.
- Please pray for our monthly support.
- COMING NEXT MONTH! "Blessing it Forward"- 3 Milk Goats being given!
- Peace in Kenya
