

We give thanks to God for His mercy and grace over the past few months. However, it has not been without difficulty, sorrow, and pain. First, we had to release one of our teachers; then Michael, one of our students, had his legs burned in a house fire. Last week, Lucy our Preschool teacher, was in a motorcycle accident where her leg was severally cut, and is now undergoing skin grafts. Please pray for a full recovery and healing for Michael and Lucy.

Makayla is really growing up and enjoying life in Kenya as a missionary's granddaughter. She had the opportunity to attend the Blue Sky Youth Camp with several of her new friends she has met at International Christian Fellowship Church. This is where we attend service whenever we are not ministering in a church. Darleen is doing very well and I am very proud of her passion for Jesus, the school children, the teachers and their families. She is a big encourager to me also as I preach, train pastors, and disciple church leaders.

A mission team from Refuge Church, San Antonio, Texas, led by Billy & Heidi Perry, came to minister with us for the past two weeks. They did such a great job ministering to our school children, the community, and the local church we are involved with. Thanks to Michele, Celso and Liche, who gave money for the team to purchase 3 milk goats to be given away as part of our "Blessing it Forward" Ministry.

Widow ladies in our village who struggle daily just to eat. These Milk Goats will be a huge blessing to their lives.
Thank you Michelle, Celso and Liche for your heart to give.

The Mission Team Came to Share Jesus, to Play, to Sing, to Give and to Love!

All the children and staff received a bag of rice, beans and flour for Ugali.

Even the Staff joined in the fun

The girls and the boys were so excited to receive the underwear! (In our village, it's a luxury to have underwear)
Thank you Lisa Jacobs and the Castlehills Elementary School

Big "Shout Out" to Heidi's mom Rebecca South and her two friends who hand painted Hankies for all the staff and 160 children.

The Mission Team Took The Gospel To The Village

Proud of the Team for Walking the Cross sharing Jesus with the village! During the walk, 6 people prayed to receive Jesus as their Savior.

They held a children program at the church with music, drama and bible story.

The Team provided Crayola's and coloring pages of bible stories then provided hot porridge for them to drink.
