

# Advancing His Kingdom International

August 2018

Psalm 16:11 "I have made it known to you the path to life, In His Presence it the fullness of joy and in His right hand are pleasures forever"

As we continue to follow Jesus this verse always comes to our mind. We must stay in presence of our Father to live in His Fullness of Joy and to have Pleasure Forever; we must keep our eyes on Jesus who sits at the Right Hand of the Father.

## Our Feature This Month: "Steps To The Future Academy"

Our school continues to offer a Christ centered quality education for the children of poor families in our village area ages 4 through grade 3<sup>rd</sup>. This year we have 160 children, 1 administrator, 6 lead teachers, 2 teacher assistants and 3 facility staff.

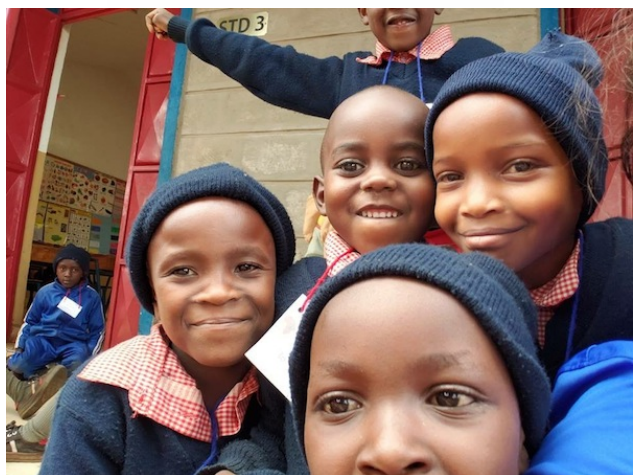

**Big Thank You:** To all those who are faithfully supporting AHKI and the ministries we are doing throughout East Africa. We pray that you will continue your support and that you will pray that God will open more doors for individuals, churches, businesses and organizations will consider partnering with us.

**Prayer:** We are asking those who are not supporting AHKI, that you would pray; ask God if you are to partner with us in changing lives of the "Next Generation". Children whose families live on less than \$3.00 a day, who struggles to even provide the \$2.50 or \$3.50 per month school fee. This small fee is to encourage parents to take some level of ownership and responsibility to invest into their children's education. The small fee we do collect only covers 23% of staff salaries only.

**Our average teacher salary is \$120.00 USD PER MONTH.** It does not take a lot of money to impact a family's life in our village.

**\$20.00 Per Month:** Is providing a child complete uniform, school shoes, rain boots, school supplies, bus transport, medical checkups, staff salaries, insurances, facility expenses and more.

# STTF "Impacting Africa"

**Sponsored:** We have 92 children sponsored (61%). Our "Goal" is to have 150 children sponsored by January 2019'.
