# AHKI "Impacting Africa"

The pastor from Nairobi Calvary Temple invited us to come and share with their leadership as to how J-Life Discipleship Training models the "Jesus Life" in how Jesus made disciples that makes disciples. What a blessing to be able to begin our year-long journey with these pastors and leaders. Pray for us as we continue the new work God has opened up here in Kenya and Ethiopia.

## UP COMING:

- Pray for us as we will be traveling to South Africa for our J-Life Leadership Summit February 20-24
- Travel to Cape Town South Africa February 24- March 2. Personal time away staying with John & Lorna Abrahamse, founders of J-Life Africa.
- March- Trip to Rwanda & Uganda. Ministering to our J-Life country directors and their ministry team. (Dates not set).
- April 10-24 Kristi Hobbs will be with us and we will be hosting the Hobbs Boarding School Students here from April 12-17.
- Travel to Ethiopia for J-Life Training. May 23-26

**"Blessing it Forward"** We are continuing to give Milk Goats away to needy families in our area. Anita is one of our students and her mother Lucy is a survivor of the Westgate Mall Terrorist attack in 2013; as well as she was attacked in her home few years later. Lucy suffers with anxiety and a fear to leave her home. She and Anita have been dependent on Lucy's elderly parents to care for them. A few weeks ago her mother passed and has placed a huge burden on her father. We are praying for God to heal Lucy's fear and also praying that this milk goat will help provide some income and nutrition to the family. Darleen was able to spend time ministering and praying over Lucy before we left.

## PRAYER:

- God will open ministry doors in 2019'
- Our "Vision 2019" Goals to be met. (See January newsletter)
- Mission Teams will come serve this year.
- Safety for us as we will be traveling to several countries this year.
- As we minister to Kristi Hobbs High School and University Students.
- We will continue to reach the lost and be "Disciples Makers"
