

**“Blessing It Forward”** is having a huge impact on the lives of many families in need. We are so grateful to those who have been sending funds to purchase Milk Goats for the needy families in our school and the village area. We will be giving many more milk goats away over the next month.

**The Hobbs’ Students:** Over the years Kristi Hobbs has been journeying with a group of Orphaned children in Kenya. Since 2016, and due to unforeseen circumstances, we are taking on the lead roll “on the ground” to help Kristi and the Mercy Foundation continue providing education for the high school and college age students. Our role is to help shepherd these students throughout the year, house them when they are on school breaks and through the resources from the Mercy Foundation help them with all their expenses for school. Personally we have been part of these students’ lives from the very beginning in 2009.

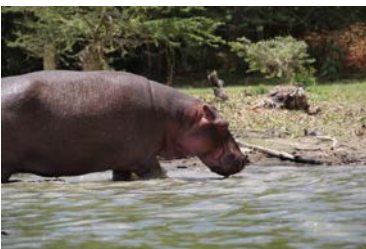

Billy led a bible study each morning then had small group time. Two students prayed to receive Christ and 10 were baptized. Eight had told us they had never been baptized after receiving Christ. What a blessing and an amazing time we had.

**“Jesus. Hobbs House Of Hope”** Kristi had invited the lower grade children who are still at JHHH to come for a few days!

**“FIELD TRIP”**  
Had a blast taking the students to Lake Naivasha for the Hippo Tour.

# AHKI "Impacting Africa"

**Thank You 2<sup>nd</sup> Baytown Church:** We are so grateful to 2<sup>nd</sup> Baytown Church who donated the funds to have our well-used School Bus repainted and repaired. The children and parents did not recognize our bus as Pastor Samwell came to pick them up that first morning back. Samwell said some parents were yelling at their children "No' that's not your bus!!" even though the kids recognized pastor Samwell. We had a great time praying over the bus and then singing and celebrating what God has done.

**J-Life "Jesus Life":** is expanding in other countries across Africa. God is opening many doors into hard to reach areas and so many people are hungry for "Truth". Please continue to pray for J-Life Africa and the leaders who are passionately "Loving God & Loving People" sharing the Good News of the gospel of Jesus.

**Winning + Building + Equipping = Multiplication of "Disciple Makers"**

Please pray for us as God continues to open doors for us to train pastors and church leaders in Kenya and in Ethiopia.

**Steps To The Future Academy:** Thankful to have another medical check-up for the children that was provided by those who give.

**STTF Monthly Birthday Celebration:**
