### Steps To The Future School

Thank you Nancy Blakeney for purchasing a "Treat" for the children. So many people do not realize the blessing it is for a child to receive a soft drink.

## ***“Impacting Africa”***

J-Life Africa Building Disciple-Making Movements Across Africa.

**“JESUS LIFE”**

2020 started off with us traveling to Ethiopia to train our final J-Life GC2 Module “Multiplication” to a group of Pastors that cover multiple regions across Ethiopia. These men have been implementing the training over the past year, multiplying disciple-making movements impacting hundreds of people with the Gospel of Jesus Christ. We are very thankful to Pastor Samson Weldemariam who is now leading the J-Life Movement in Ethiopia. Samson is leading this group who has over 400+ churches they oversee Winning-Building-Equipping and Releasing to Multiply Disciples. Pray for Samson and for me as we are prayerfully seeking God’s direction to expand into the countries of Djibouti, South Sudan, Eritrea and Northern Regions of Ethiopia.

16 leaders completed the 4 Modules of our J-Life GC2 Disciple Making Training and now we are celebrating during a church service as they receive their Certificate of Completing. Pastor Samson delivered a word of the Great Commission to “Go and Make Disciples that Make Disciples”. Matthew 28:18-20

### **“Friends of USAA”**

We want to say a “Big Thank You” to those at USAA who have started giving to us through **Benevity**. We are so thankful for your support.
