

AVANTIS SCROLLED DOOR HANDLES

The elegant meeting of design and function

A truly elegant design with suited window handles the Avantis Scrolled Handle Range help further differentiate residential door and window installations. A supporting range of materials and finishes offer a choice of eye catching colours as well as corrosion resistance performance to cope with a wide range of environmental conditions.

The Scrolled Handle set incorporates 2 robust spring cassettes to ensure that the lever returns to its resting position after use for the life of the product and provides a positive feel to the operation of the door.

AVAILABLE IN:
White, Black, Polished Chrome, PVD Gold, Smokey Chrome and Brushed Stainless Steel over the range of zinc, stainless steel and hybrid materials.
