

SSPP FAQ's

Does my SSPP Certificate have an expiry?

From now on all SSPP Certificates will expire on the 31st of March 2019 and will be renewed annually.

The renewal process will be straight forward, but will involve a little reading of new material followed by answering a short quiz. This renewal process will commence at the beginning on March 2019.

Upon successful completion of the quiz, your SSPP Certificate will be renewed a further year.

For those graduates who complete the Stop Smoking Practitioner Programme between 1st January 2019 and 31st March 2019, their certificates will be valid until 31st March 2020 at which time they will be required to undertake the quiz to renew their Certificate.
