

SSPP FAQ's

What does the SSPP Graduation consist of?

The graduation is a small, casual event, approximately 30 minutes in duration, with students presented with an NTS certificate and gift of appreciation by a representative of the Ministry of Health and representatives of the National Training Service.

So, as an acknowledgment of their (graduating students) achievement and the work that they have put in to complete this qualification, we are always delighted to invite them to attend the National Training Service SSPP Graduation.

Family and supporters of graduating students are most welcome to attend. Light refreshments will be served.

Email Sue: nts@inspiring.org.nz if you would like to attend.
