Spring 2015

Walk of Champions

The Walk of Champions is a lasting tribute to Little Leagues players, past present and future, their families, volunteers, umpires, business owners and anyone that loves baseball, softball or both. A personalized brick in the walk can also be a meaningful memorial to a loved one that has passed.

Richmond County Little League's Walk of Champions is an ongoing fundraiser. Our next big challenge is the installation of lighting on the fields. This is an expensive endeavor that will require a lot of community support. Imagine if Richmond County had the lighted facilities to host

April, 2015

tournaments and other community events. It's not just the Little league that benefits from the lights, but the community and local businesses as a whole.

Space is still available for an additional 1500 bricks. Please consider making a permanent, visual contribution by purchasing one or more bricks. You can use the order form located on the back of this document or by downloading the Walk of Champions order form at www.eteamz.com/RichmondCounty. Also, you can email brick orders to: slucasrcll@yahoo.com.

Let's Play Ball!

Little League Baseball, Incorporated is a non-profit organization whose mission is to "promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball and Softball."

Through proper guidance and exemplary leadership, the Little League program assists children in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball and Softball program is designed to develop superior citizens rather than superior athletes.

During construction this past November.

YOUR NAME HERE!

Parents are strongly encouraged to become involved in Little League. After completing a Little League volunteer application and passing a required national background check, parents may become involved in practices, and be eligible as coaches, managers, umpires, local league board members and other volunteer positions within the league. How can you contribute?
