WEBSITE PRIVACY POLICY

The Internet is an amazing tool. It has the power to change the way we live, and we're starting to see that potential today. With only a few mouse-clicks, you can follow the news, look up facts, buy goods and services, and communicate with others from around the world. It's important to [Communication Technology Incorporated] to help our customers retain their privacy when they take advantage of all the Internet has to offer.

We believe your business is no one else's. Your privacy is important to you and to us. So we'll protect the information you share with us. To protect your privacy, [Communication Technology Incorporated] follows principles in accordance with worldwide practices for customer privacy and data protection.

- We won't sell or give away [Your Name], mail address, phone number, email address or any other information to anyone.
- We'll use state-of-the-art security measures to protect your information from unauthorized users.

NOTICE

We will ask you when we need information that personally identifies you (personal information) or allows us to contact you. Generally, this information is requested when you create a Registration ID on the site or when you download free software, enter a contest, order email newsletters or join a limited-access premium site. We use your Personal Information for four primary purposes:

- To make the site easier for you to use by not having to enter information more than once.
- To help you quickly find, services or information.
- To help us create content most relevant to you.
- To alert you to product upgrades, special offers, updated information and other new services from [Communication Technology Incorporated].

CONSENT

If you choose not to register or provide personal information, you can still use/view most of [www.ctitechnology.net]. But you will not be able to access areas that require registration.

If you decide to register, you will be able to select the kinds of information you want to receive from us by subscribing to various services, like our electronic newsletters. If you do not want us to communicate with you about other offers regarding [Communication Technology Incorporated] products, programs, events, or services by email, postal mail, or telephone, you may select the option stating that you do not wish to receive marketing messages from [Communication Technology Incorporated].

SECURITY

[Communication Technology Incorporated] has taken strong measures to protect the security of your personal information and to ensure that your choices for its intended use are honored. We take strong precautions to protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

[Communication Technology Incorporated] strictly protects the security of your personal information and honors your choices for its intended use. We carefully protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

Your personal information is never shared outside the company without your permission, except under conditions explained above. Inside the company, data is stored in password-controlled servers with limited access. Your information may be stored and processed in [USA] or any other country where [Communication Technology Incorporated], its subsidiaries, affiliates or agents are located.

ENFORCEMENT

If for some reason you believe [Communication Technology Incorporated] has not adhered to these principles, please notify us by email at info@ctitechnologies.net, and we will do our best to determine and correct the problem promptly. Be certain the words Privacy Policy are in the Subject line.
