

There are many people who have a need and desire for improved productivity and leadership ability. We'd like to ask you to help us reach them. Who do you know?

<b>Owns and operates a small business</b>		
Bakery Boat Sales Restaurant Clothing Stationery Decorating Repair Automobile	Dry Cleaning Grocery Service Station Beauty Salon Nursery-Plants Upholstery Exterminators	Furniture Store Men's Clothing Women's Clothing Interior Design Startup Company Real Estate Insurance
People who own and operate their own businesses understand investing in themselves. They need, want, and will invest in more leadership skills and productivity improvement.		
<b>Is building a professional practice or business</b>		
Dentist Accountant Chiropractor Lawyer	Podiatrist Optometrist Architect Engineering	Veterinarians Psychologist Consultant
The key to building a professional career is increased productivity improvement and leadership skills. The professional must build a clientele and a staff to succeed.		
<b>Is an executive, manager, or supervisor</b>		
Manufacturing Bank Service Organization Sales Organization Retail Outlets	Hospital Nursing Home Dairy Construction Securities	
An executive, manager or supervisor is constantly looking for ways to lead the organization to be more productive.		
<b>Is President of a company or an organization</b>		
Bank Manufacturing Construction	Transportation Printing Food Distribution	
The president must establish the goals of the organization and lead the staff to reach them. He or she is constantly searching for better ways to do it.		
<b>Is president, owner, or manager of a chain/franchise operation</b>		
Fast Food Nursing Home Drug Stores Food Stores Hotel-Motel	Hardware Service Stations Shoe Stores Department Stores	
Since chain/franchise operations are so spread out geographically, there is a constant problem of training and communicating with the managers of each location. They need something convenient, flexible, and easy to use.		
<b>Is in a position of leadership in a civic organization, church, youth, sports, or self-help programs</b>		
Business and Networking Community Service City Council Neighborhood Associations Non-profit organizations Churches	Girl Scouts Boy Scouts Youth Sports YMCA YWCA	
People who are in positions of leadership in any area of their lives want to learn better ways of leading and reduce stress.		
<b>A business person involved in self-improvement activities such as</b>		
Toastmasters eLearning Courses Continuing Education Classes	Networking Groups Fitness Clubs Weight Watchers	
Many people take every opportunity to improve themselves. They are excellent candidates for our programs.
